Tools and Technologies: VS Code , Eclipse, Visual Studio

## SOFT SKILLS

Communication, Team Work

## PROJECTS EXPERIENCE

<b>HR Management System</b> <b>C#, MySQL</b>	<b>2023</b>
Developed a comprehensive HR management system using C# and Microsoft SQL Server in Visual Studio. The system was designed to maintain detailed records of employees from their joining date to their placement within the office. It includes features for tracking salary records, performance evaluations, and overall employee management, ensuring efficient HR operations and data integrity.	
<b>Schedule Record Dashboard</b> <b>HTML, CSS, JAVASCRIPT</b>	<b>2024</b>
The Schedule Record Dashboard is a web application designed to help users track and manage their time efficiently. It provides an intuitive interface for logging activities, visualizing time spent on various tasks, and generating reports.	

## INTERNSHIPS

<b>Web Development Intern</b> <b>CodSoft</b>	<b>Pursuing</b>
Working on an internship focused on web development, where I gained practical experience in building and maintaining web applications. Worked with HTML, CSS, JavaScript, and various web development frameworks to create responsive and user-friendly websites.	
<b>Generative AI Intern</b> <b>IBM</b>	<b>Feb-Mar 2024</b>
Completed an internship focused on Generative AI, gaining hands-on experience with cutting-edge AI technologies and contributing to innovative projects.
